SUPPLEMENTAL EXAMINER'S ANSWER

This is in response to appellant's petition of May 6, 1996 to compel entry of the amendment of January 29, 1996 to the claims addressed in the brief on appeal also filed January 29, 1996.

1. The Examiner accepts the statement of sentences 2-3 of II. **Nature of the Amendment**, page 2, of the petition to compel entry, paper # 17:

"The Amendment proposed by Applicants' is directed only to matters of form and does not materially affect the scope of the claims. The Amendment was solely and completely directed to putting the claims in better form for appeal."
